02 HOW IT WORKS

1

Get Your Referral Code

Contact @UlukaOwlbot on Telegram to register as an affiliate. You will receive a unique referral code after successful registration.

2

Share Your Code

Share your referral code with your network via Telegram, WhatsApp, social media, or any channel you use. Traders who want to subscribe simply mention your code when signing up.

3

Client Submits Code at Signup

The new client enters your referral code in the subscription form when applying for their plan. The code must be submitted at signup — it cannot be added or changed later.

4

Activation is Confirmed

Once the client is activated and their first payment is received, your commission is triggered. Setup fee commission is paid in that month's payout cycle.

Annual Subscription — MINI Tier	$1,749/year
Your Annual Renewal Cut	**$437.25/year (25% of $1,749)**

Plan B — Pay As You Earn (PAYE)

For PAYE clients you earn the same setup commission, plus a weekly share tied to the client's profit performance.

Plan B — What You Earn	
New Client Setup Fee	$149 charged to client
Your Setup Commission	$74.50 (50% of $149)
Client earns $100 profit	Uluka takes 25% = $25

Your weekly profit cut	**$5.00 (5% of client profit)**
Client earns $500/week	Uluka takes $125
